

A very warm welcome to the New Year and I hope that you have all enjoyed the festive season.

As the newly appointed Head teacher of Rolfe's Nursery School I thought it would be helpful to share a little information about myself as we venture into the Spring Term together.

I was born in Australia and moved to the UK in 2005 with my family, planning a year of European work and travel. Our 1 year plan has been expanded as I have learned to "cope with this cold", and am still thrilled at the ease of popping on a plane to land in Spain, in the same time that it took me to drive to my parents' house in Oz for a weekend BBQ!

Starting as a teacher at Rolfe's, I progressed to Head of Teaching and Learning, SENDCO, and then Deputy, before being offered the position of Head teacher with Victoria's departure.

I have over 20 years' experience teaching in Early Years and I have a son, whom I am proud to say, has recently graduated from university and is saving up for his first Asian adventure in the near future.

My qualifications include a Bachelor of Education (Hons), Diploma in Social Science (Children's Services) and Associate Diploma of Early Childhood Education from both Australia and the UK.

I believe that providing children with a stimulating, supportive, high-quality early years education facilitates a love of learning and, lays the foundation for the future.

I am dedicated to building a whole-school community whereby collaboration between children, families and teachers ensures all children start their education with a positive sense of self and the skills to be successful learners.

I thoroughly enjoy working with the committed and enthusiastic Rolfe's Team, and I am very much looking forward to this next chapter in my life.

Kind regards
Miss Kirsty
